

HELP YOUR FLORIDA COMMUNITY GET THE TOOLS IT NEEDS FOR THE NEXT DECADE *Stand Up and Be Counted*

Part-time Florida residents who want to make sure their community gets its fair share of funding should stand up and be counted in 2010.

You received a 10 question census form in March. Now is the time to:

- ✓ Take ten minutes
- ✓ Fill out the form
- ✓ Send back the completed questionnaire

Every year, the government distributes more than \$400 billion to states and communities based in part on census data. Your voice will help Florida determine the funding your community will receive and plan for:

- Senior services
- Hospitals
- Public transportation
- Job training centers and more

Even if you live in Florida only half of the year – or are unsure which home is your primary residence – please take time to fill out your census questionnaire from the place where you are staying on April 1, 2010. By participating in the 2010 Sunshine Census, you will help your community secure the tools it needs for the next 10 years.

Completing your census form is easy, important and safe. Make a difference in your community and stand up and be counted in 2010.
